Our Rave Reviews From Our Loyal Customers!

I've used another company for my business for 3 years. I was not satisfied, called All Points Shredding. They are more organized and are fantastic to work with. Highly recommend them!!

Everything Rises & Falls On Leadership

Og Mandino once said "In truth, the only difference between those who have failed and those who have succeeded lies in the difference in their habits."

On Friday August 28, 2015, Dawn Connelly, Leadership Expert, Attorney and Certified & Founding Member of the John Maxwell Team, will teach a half day Leadership Experience. The event will take place at the Stuart/Martin County Chamber of Commerce in Stuart from 8am-12Noon. The cost is \$299. A portion of proceeds will go towards children's art scholarships at the Visionary School of Art in Stuart.

During this LEADERSHIP EXPERIENCE you will:

- Learn the key habits to succeed
- Learn to develop the leadership potential within you
- Gain the secrets to gaining referrals and prospering
- Discover the keys to maximizing your leadership
- Connect, communicate and lead with excellence
- Expand your influence and impact
- Discover the tools to effective time management
- Learn to work less and achieve more

This series is for natural born leaders and for anyone who wants to discover their

leadership potential and increase their results and success!

Watch this sneak peak of how raising your leadership lid is the key to harnessing your potential and achieving great success!

Critics Say Hilary Clinton E-mails Call For Criminal Investigation

Hillary Rodham Clinton's private e-mails are causing some major uproar. U.S. intelligence officials are working to contain damage caused from potentially hundreds of spy agency secrets found in Mrs. Clinton's e-mails.

Many are questioning why the Justice Department has not yet opened a criminal investigation into the matter, calling it a mishandling of classified information.

Some experts say Mrs. Clinton will be able to build a strong case as to why her server was not classified at the time such information was coming through her e-mails. However, others believe that what the former secretary of state did was far more egregious than the mishandling of information and that she should face severe penalties.
